

Welcome to Rocky Railway Games Day 2!

Today we are learning **Jesus' power gives us hope! (Trust Jesus!)**

Game 1- Hope beachball

We are going to play HOPE Beachball.

What you need:

Beachball (VBS Kit Day 2 Games) Go ahead and blow it up.

A laundry basket, bucket, or anything you can use to catch your beach ball

Cardstock strip (VBS Kit Games)

To Play: Each person stands behind a line and takes a turn throwing their beach ball into the basket or bucket. After you throw your beach ball, you pick it up and go to the end of the line. It is the next person's turn. If you get it in the basket/bucket, you get a letter to spell HOPE. The first time you get it in you would get a H. The next time an O then a P and then an E. The first person to spell HOPE wins. If the ball does not go in the bucket/basket then you do not get a letter.

Wrap Up:

Paul and the people on the boat were tossed around by the waves. Even though the boat was tearing to pieces, Paul knew that his Hope in God would not fail. God saved everyone on the ship. Just like the beachball was tossed, sometimes we can feel tossed around by life's situations. We can find our Hope in Jesus. We know **Jesus' power gives us hope! (Trust Jesus!)**

Game 2-Airplane of Hope

We are going to play Airplane of Hope. This game reminds us that we can have Hope in Jesus.

What you need:

4 airplane papers (VBS Kit Day 2 Games)

Go ahead and fold the papers to make 4 airplanes.

Beach towel or picnic blanket. (Something you can spread out on the ground.)

Cardstock strip (VBS Kit Games)

To Play:

Each player stands in a row behind the line. They are holding their four airplanes. Each airplane has one letter on it so all four together spell HOPE. The first person flies their first airplane. If it landed on the blanket or towel they leave it. If not, they go pick it up. They go to the end of the line. The game continues until one person has all four of their airplanes on the towel/blanket. Once that person has all four airplanes on it. That person goes over and puts their airplanes in order to spell HOPE.

We know [Jesus' power gives us hope!](#) (***Trust Jesus!***)

Wrap Up:

Like the airplanes that fly above the ground have a different perspective. When we look at Jesus, He helps give us a different perspective when we are going through hard things. [Jesus' power gives us hope!](#) (***Trust Jesus!***)
